ORDER

The parties having consented to this Order and the Court, being fully advised in the premises finds as follows:

First, the Court approves distribution of the refunds obtained from taxing jurisdictions in Arizona, Delaware, Maine, Michigan, Mississippi, Montana, New Hampshire, Oklahoma, Rhode Island, Virginia and Wyoming (the Refunding Tax Jurisdictions”) in accordance with the Plan of

Distribution previously approved by the Court. To extent that there are unclaimed funds that remain after distribution of the refunds to Subclass members, Class Counsel are directed to report to this Court the status of such refunds and the amount of funds not claimed and to seek this Court's decision as to the final disposition of those funds, if any, at the appropriate time, in accordance with the Court's Order finally approving the Settlement.

Second, the Court finds that as to the Refunding Tax Jurisdictions, AT&T Mobility, LLC has performed all of its obligations under the Settlement Agreement.

Third, because the Refunding Tax Jurisdictions have completed the refund process and refunded all funds due the subclass members in their respective jurisdictions on the claims arising from this action, the Refunding Tax Jurisdictions have no further obligation to the subclass members of their state-specific subclasses to refund any funds received by a Refunding Tax Jurisdiction either directly or indirectly from a member of state subclass that includes a Refunding Tax Jurisdiction as defined in this Order.

Fourth, the Court approves Subclass Expenses for reimbursement from the Subclass Escrow Funds prior to distribution to the Class set out below.

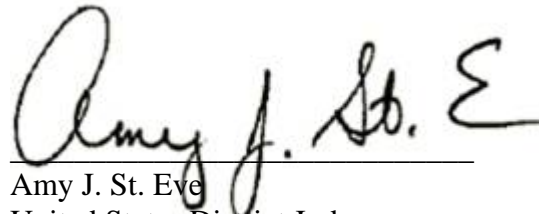

WHEREFORE it is ORDERED:

That the Settlement Administrator implement the distribution of refunds in the Refunding Tax Jurisdictions as per the Distribution Agreement previously approved by the Court; and

That the Refunding Tax Jurisdictions are hereby released from any further obligation to or liability to pay to any subclass member in the Refunding Tax Jurisdictions any and all claims, demands, debts, liabilities, actions, causes of action of every kind and nature, obligations, damages, losses, and costs based on ATTM's charging of taxes, fees or surcharges on internet access during the class period; and

The Settlement Administrator is directed to reimburse class counsel for state-specific expenses incurred on behalf of the Subclass in obtaining refunds as follows: Arizona (\$9,359.45); Delaware (\$75.00); Maine (\$172.32); Michigan (\$52,651.64); Mississippi (\$2,734.20); Oklahoma (\$1,768.19); Rhode Island (\$1,499.57); Virginia (\$1,373.61); Wyoming (\$172.57).

IT IS SO ORDERED.
